MURRYSVILLE, PENNSYLVANIA

M.D.S.A Members,

We are sending out an early letter to update our members as to some unexpected changes that have currently taken place at Murrysville District Sportsmen's Association. Our former President, John Funk sadly passed on Sunday, December 7th from unexpected health issues. Our acting Vice President, Dale Emerick has stepped up to fill the role as President. Rick O'Mahony and long-time member has kindly agreed to be our Vice President and I, Diana Cholock am filling in as acting Secretary/Treasury of which was voted upon during our last members meeting, Tuesday, December 9, 2025.

We are all working very hard to keep things running accordingly at the club for not only new members who have currently joined, but for all our renewing members as well. We would appreciate everyone's patience while we work through things and bring things to a working order.

Going forward we are planning on making changes around the club, a monthly newsletter will be sent out updating all members as to changes we are looking to make and if anyone is able to volunteer their help at that given time, it will be most appreciated.

***All members going forward, when exiting the club, please make sure our current lock is looped through the other lock! This is so outside sources can access the club in the event of an emergency**

One of the main changes we are looking to make is to have current members send an email to our new account: mdsa3751@gmail.com

We would like to eliminate mailing out newsletters and to reach you faster on a monthly bases we would like to contact you via email. If you do not have an email and still wish to receive communication via mail you can send any correspondence to:

Diana Cholock, 1270 Morris Street, Irwin, PA. 15642

We hope this letter finds you well and we want to wish all our members a Merry Christmas and Happy New Year!

Thank you,

Murrysville District Sportsmen's Association

Broad Members: Dale Emerick (P), Rick O'Mahony (VP) and Diana Cholock (Sec/Tres)
